

colours in Dublin!

rainy and misty Dublin...

smiling and happy people in Dublin!!!

- **Show the picture to the students**
- **By using the “Chilly Pepper Menu” ask them:**
 - a1. describe (2) photos of the picture
 - a2. find one you like and one you don't like (justify your choice)
(5 points)

 - b1. find (3) photos connected to weather conditions
 - b2. describe the colors of them
(10 points)

 - c1. find differences and similarities on the (2) first group of photos
 - c2. how are the people of Dublin presented on the 3rd group of photos? (justify your opinion having in mind the weather conditions and the vivid colors of the buildings)
(15 points)

 - d1. write an article for your school magazine about the positive way Irish people react to difficult weather conditions.
 - d2. justify the (3) titles of the three (3) groups of photos
(25 points)
